

Lee & I have decided to resign from the Committee & all Secretarial duties. 99% of the club members appreciate the huge amount of work required to run a motocross season, however there is a very small number of people who are so desperate to cause trouble they will do anything, no matter how trivial, to rock the boat.

A complaint was made to MCF about Lee riding the PW50 at Tom's memorial. We can include the use of a pit bike in the risk assessment so this is not the issue – the issue was that Lee had Jake on the bike with him.

Both Lee & I acknowledge that Jake should not have been on the bike last weekend when Lee was collecting the Lapscore sheets, however when earlier I had seen my little boy being looked after by someone I didn't know because both Lee & I were busy on the track, we made the decision that Lee would have Jakey with him at all times. To still get all the jobs done this would mean a little leeway with the rules. We thought that every person out there would understand that decision - especially as it posed no risk to anyone – we were both very disappointed that this was not the case. I am sure that every parent out there, including the one who complained, would not want to spend every motocross event so busy that they could not look after their child. All we were guilty of was trying to keep the event running whilst looking after Jakey.

We, as a whole family give a huge amount of time to organising & running the club but now feel that when there are club members who are determined to try to cause trouble at every small hiccup, the time has come to hand over the reins. Perhaps the person who makes these trivial complaints would like to take up the role?

We requested a committee meeting which was held last night, at which we told the committee of our decision - agreeing to stay on until Round 5 on Sunday 24th July.

We need to look forward & find someone to take over the secretarial duties as a matter of urgency. If you are interested please contact any of the committee members (Darren Bee, Linda Biles, Chris Osman, Andy Hawkins, Rob Bell, Lee & I).

Finally, I would like thank everyone who has helped me in the past.

Best wishes

Tracey
